

loum[®]

protect the glow

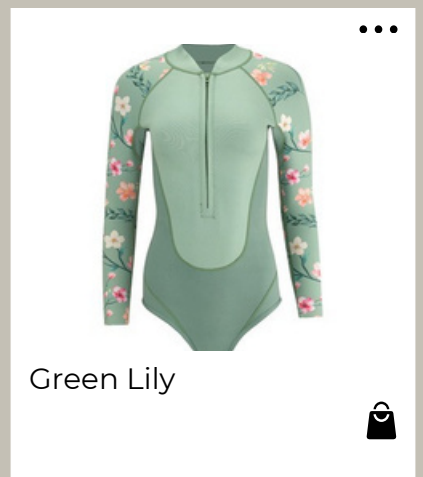

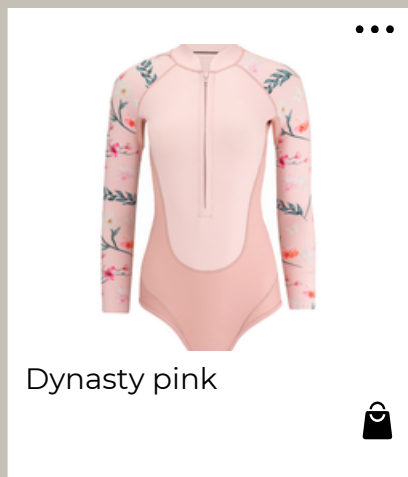

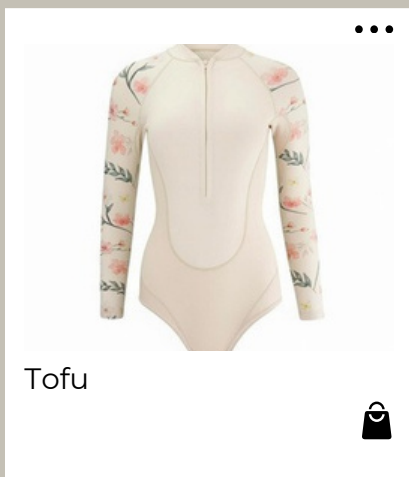

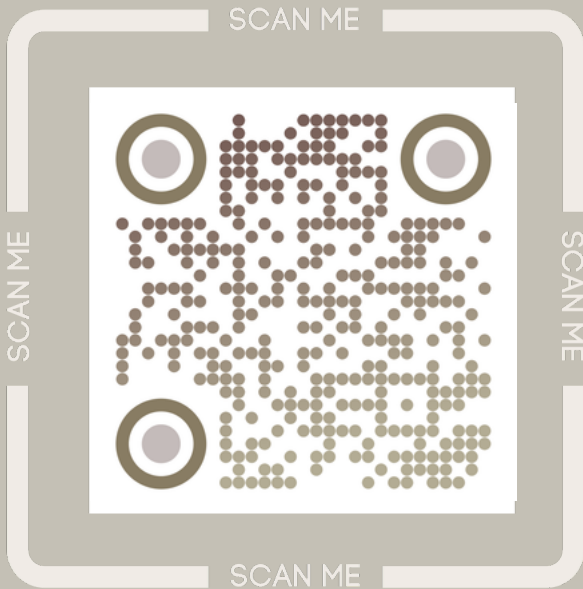

**Dailiness deserves the same
freedom and elegance that
you feel on the water**

AQUABELLE

Bringing the standards of everyday wear to performance on the water.

GIVE YOUR BODY A NEW LOOK

Three-layer neoprene wetsuit with a comfortable lining and a shimmering outer finish.

Women's design with a tailored, close-fitting cut.

Easy-to-use YKK zipper.

Raw sleeve finish.

Resistant to UV radiation, chlorine, and salt water.

Enjoy the water from spring to autumn. The wetsuit is designed to keep you warm in water temperatures of 18–20°C.

2 mm thick neoprene combined with a glossy material.

Material made of 100% neoprene (CR).

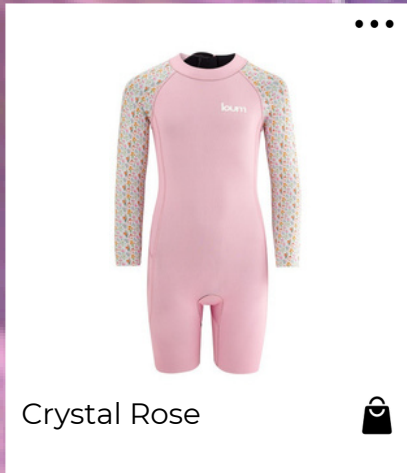

Flexible and soft to the touch.

LITTLE WAVE

PLAY LONGER. STAY WARMER.

Created with the youngest ones in mind who love water and movement. A simple, comfortable fit and colorful design help children feel free and confident while playing on the beach and in the water
